Mr. J. C. Collier,
Barnesville Ga.

Dear Sir,

I am afraid I can tell you nothing of William Vines Collier. A Vines Collier died on this place about forty years ago; but he had a brother named William, so do not think his name was William. He married a Miss Womble, an aunt of Magruder Womble's. He has a son living in Manchester, Jim Collier.

I think you can get the information you want from Mrs. Carson Powers Woodland Ga., or Mr. Hamp Collier Woodland. There are a good many Collier in our county, but the last two named I gave are different families. I think they all came from Upson county

Hoping you may find the records you want, I am,

Yours Truly
John P. McCoy
